Toy Photography Session

I would like to say Thank you to all members for attending the group meeting this week.

Members really enjoyed this session yet again after thoroughly enjoying the Toy Photography session last year - Some members also went outdoors and took some lovely images of St Faiths Church.

Photographs kindly supplied by members (in order of image) Malcolm Fowler and Pamela Harding.

(Tuesday 26th May 2015 7pm - 9pm – Landscape Lecture - Tracey will be showing members a variety of Landscape photographs sharing tips and advice and knowledge of the settings/lenses they used - this will be very helpful for the following session we will be having.

(If members wish to send a good and not so good Landscape image of their own to add to the Lecture please do so - as long as they are of a similar image).

I look forward to seeing you all again on Tuesday 26th May 7pm-9pm
