Tuesday 26th May 2015

Lecture on Landscape Photography

I would like to say Thank you to all members for attending the group meeting this week.

Tracey gave tips and advice on how to gain stronger Landscape images – she also explained and showed members images of subjects which are at Dersingham Nature Reserve to photograph – She also showed a variety of images explaining how to create depth, light, textures and a 3D view along with other tips and advice.

Members also showed their images from the Toy photography session in a Kiss, Slap ... Kiss manner.

Photographs kindly supplied by the Founder Tracey Robinson

Tuesday 29th June 2015 7pm - 9pm – Dersingham Nature Reserve – Photography Session (weather permitting).

I look forward to seeing you all again on Tuesday 9th June 2015 7pm-9pm
